Listen and read. Chocolate inventions.

1

Last year Professor Messit invented an amazing new candy. This is how it happened.

“Put the chocolates in the refrigerator,” said Loopy King, Professor Messit’s friend. But Professor Messit didn’t have a refrigerator so he put the chocolates in the washing machine.

2

The next day, Professor Messit washed all of his shorts in his washing machine. Oh dear! They were soon chocolate shorts! “Mmm! Delicious short snacks! I’m going to make short snacks for children,” he said. He put lots of shorts on his car. He put expensive chocolates on the shorts. Then he drove the car to the car wash.

3

Professor Messit went through the car wash. He was very excited. But when the car came out, he had clean shorts and a chocolate car but no short snacks. The experiment didn’t work and Professor Messit was very sad.

4

Professor Messit went home. He was hungry. He ate a piece of the chocolate car. “Mmm delicious. What a great idea! Who needs a chocolate bar? I just invented the four wheeled chocolate car!” he said and he smiled.

That night Jimmy had a nightmare. A Tyrannosaurus Rex was sitting on him!

"Why are you here?" asked Jimmy.

"Because I'm hungry," said the dinosaur.

"And YOU are my food!"

3

The dinosaur took Jimmy's hand.

"Why are you holding my hand?" asked Jimmy.

"Because I'm going to eat your hand first..."

"Oh no, you're not!" shouted Jimmy.

4

"Why are you shouting?" asked his mom.

"Because there's a dinosaur on me!" said Jimmy

Mom laughed. There wasn't a dinosaur on his tummy.

There was just a huge book about the life of the Tyrannosaurus Rex.
